

MG110

M-ATX Gaming case
Compact size with large interior space.

COUGAR MG110 is a compact micro case, which provides you enough space for high-end hardware and expansion. In addition, it supports up to 240mm water cooling radiator and 7 fans for superior cooling performance. MG110 micro case provides you easy ways to customize your gaming system.

EXCELLENT EXPANDABILITY

- Support full-sized graphics cards up to 350mm
- Support 5.25" device x1 / 3.5" HDD x2 / 2.5" HDD/SSD x2

SUPERIOR COOLING PERFORMANCE

- Support up to 240mm water cooling radiator at front panel
- Support up to 7 fans for powerful airflow
- Cable routing channel design keeps all the cables behind the motherboard tray, allowing air to flow unobstructedly and dissipate the internal components' heat.

HIGHLY CONVENIENT

- Tool-less design for 5.25" and 3.5" drive installation
- USB 3.0 front panel port for the latest high-speed peripherals
- Cable routing channel design for easier cable management and better aesthetics
