MG 130

Elegant and Compact Mini Tower Case with a Metal-Like Brushed Front Panel

MG130 is an elegant and compact gaming case with a metal-like brushed front panel. It sports an attractive and compact design and supports six cooling fans and three radiators. With an elegant look, a highly functional design and a durable construction, this case delivers great value you want.

Great Looks

The elegant metal-like brushed front panel design gives it a modern, distinctive and classic design for gamers and professionals!

Great Support forComponents

You won't believe how powerful a gaming beast you can build inside MG130. Its advanced support for graphics cards (up to two 330 mm-long graphics cards) will allow you to enjoy the latest games with smooth framerates.

Minimalist Beauty

The case's 3.5" bay and PSU cover provides a clean view of your case and keep the airflow smoothly.
