MX330-S

Elegant and Functional Mid-Tower

The MX330-S mid-tower case is a powerful new addition to COUGAR's MX series. With an elegant look, a highly functional design and a durable construction, this case delivers great value for your money and a clear view of your computer's internal components.

Extraordinary Transparent View

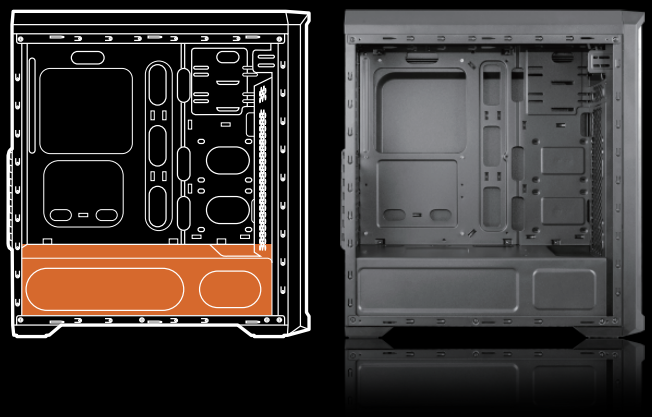
A beautiful side window acts as a portal into your PC's interior. Ideal for those who want to set up internal lighting solutions and for modders.

Extreme Flexibilit

MX330-S has seven PCI slots, allowing you to install multiple 350mm graphics cards to give you all the graphic horsepower your games require. You also get the ability to install up to two 2.5" SSD and 3.5" HDDs (for a maximum of four storage devices) to satisfy your storage needs.

Minimalist Beauty

The case's PSU and 3.5″ bay cover provide a clean view of your case and keep the airflow strong.



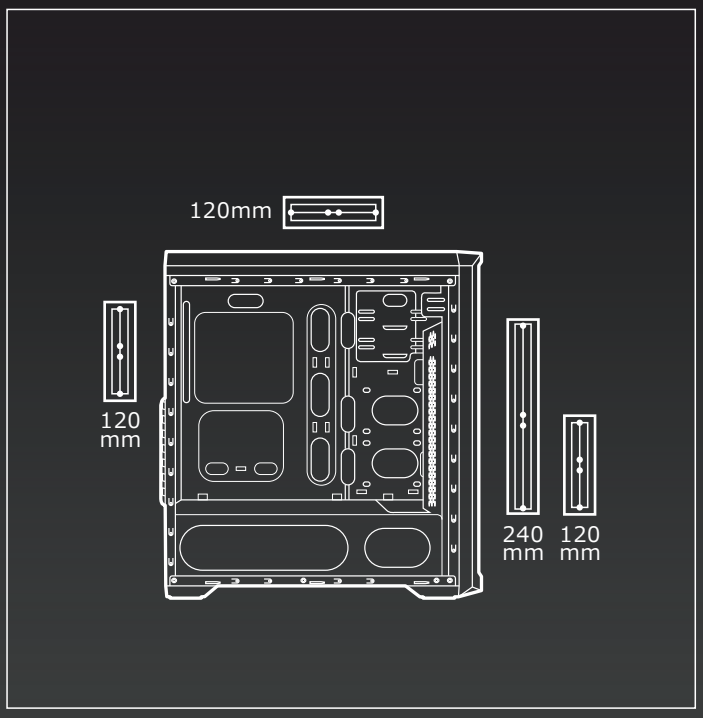
MX330-S

Elegant and Functional Mid-Tower

Outstanding Airflow

Support for a 240mm front radiator and five fans make good cooling for high-end components possible in MX330-S, which is made even better by a convenient design that eases cleaning, with detachable dust filters on the front, top and bottom covers.

Water cooling radiator support



Air cooling support
